

# 23<sup>rd</sup> Annual Memorial Cup

## Men's Team Match Play Championship

### Itinerary

The club will store our golf bags each night. For each round, just report to the cart area where your bag will be on the cart with your partner. Balls will be provided on the range.

Please tip the workers as appropriate before and after each round.

Please remove hats upon entering the clubhouse.

The club staff and members refer to Arnold as Mr. Palmer. Let's honor him by doing the same.

Be encouraged to pay attention to Mr. Palmer's designated area of the driving range. Also, take note of his locker in the locker room. And if we're lucky, we'll receive a tour of his office.
