Tour Champions

The Tour Champion is the player having earned the most points in one season (net score) AND posted a score in at least 3 of the 5 events including the Tour Championship. We will recognize (1) Tournament Division Champion and (1) Legends Division Champion. Season Tour Champions (1 per tournament division) may be eligible to win a full scholarship into the Memorial Cup and/or Legends Cup. In the event of a season points tie, the player posting the lowest score in the Tour Championship wins the tie breaker. If those scores are tied, players will compete in a sudden death playoff.

\$25 per local tour season.

Players may participate in multiple tours simultaneously and will register/pay dues for each local tour. Players may play in as many of the five events as they choose.
